### BACKGROUND

Wendy's Gymnastics & Fitness is proud to offer the finest in gymnastic instruction for children ages one to twelve. Their goal is to build children's self-esteem and confidence through fun, safe, gymnastic activities. Their programs offer an excellent way to develop body awareness, strength, flexibility, endurance, and self-confidence. The programs are personalized to develop each child's potential at their own pace.

We were referred to this project because of our ability to accurately define our client's needs and customize our services accordingly.

### CHALLENGES

#### Auto Parts to Athletic Equipment

Wendy's Gymnastics wanted to enlarge and improve its space. They expanded into an adjacent outdated auto parts store and the space was converted appropriately.

- ⊙ Existing concrete were demolished to accommodate pits
- ⊙ Constructed ceilings with reinforced supports for rings, ropes and trapeze
- ⊙ Installed air-conditioning with two oversized fans to assist with circulation
- ⊙ Upgraded lighting to brighten space

### FEATURES

#### Modern Gymnastics Equipment

- ⊙ Rings, rope and trapeze that hang above the pit 16' x 24' in-ground loose foam pit
- ⊙ In-ground trampoline
- ⊙ In-ground tumble-track

### RESULT

#### Satisfaction Through Confidence

Wendy's Gymnastics and Fitness for Children is fully utilizing its new space for fun and safe gymnastics activities. The exercise and confidence that comes from practice and play is Wendy's #1 priority.
