**BACKGROUND**

For those central Ohioans struggling to get by with little or no health insurance, costs of having prescriptions filled can be out of reach. The Charitable Pharmacy of Central Ohio opened under the umbrella of The United Methodist Church, with the direction of Rev. John Edgar. The pharmacy, mirrored after a similar one in Cincinnati, will provide free prescriptions for uninsured and underinsured residents of central Ohio.

**TEAM**

DendCo, Inc.  
PRO-Build  
Independent Glass Corporation  
Flooring Foundations, LLC  
Freeland Contracting Company  
MJB Electric Service, Inc.  
SDG Security

**CHALLENGES**

**One Building, Multiple Purposes**

The pharmacy will operate out of the Livingston United Methodist Church and expects to serve 1,600 clients during the start-up year. A remodeling project that requires changing the use of a space brings extra challenges:

- ⦿ Constructing a door opening in an existing 2" thick plaster wall necessitating the reinforcement the surrounding wall

**FEATURES**

**All of the Amenities of a Pharmacy Inside a Church**

- ⦿ Newly remodeled office spaces
- ⦿ Addition of a waiting room
- ⦿ Installation of an ADA restroom on the main floor

**RESULT**

**A New Aid to the Community**

Central Ohio families now have a new place to get help with their prescription needs. This program is committed to moving anyone who comes to the pharmacy into a more sustainable plan. This is truly a bridge experience, and not a permanent solution. As such, we are proud to have helped facilitate this community outreach program.
