BACKGROUND

John started work with us in March 2005 as a Superintendent. Within a year, he had been promoted to Project Manager. In January 2008, John was promoted to Senior Project Manager. He supervises the Project Managers and all active and upcoming projects.

John has a strong background in commercial contracting, accumulating an impressive portfolio of mid-to-large commercial work. His experience dealing with building depts., architects and subcontractors allows him to accelerate project schedules without sacrificing quality or safety.

During his twenty-four year career, John has held the following posts:

- ⊗ Senior Project Manager
- ⊗ Project Manager
- ⊗ Project Superintendent
- ⊗ Journeyman Carpenter
- ⊗ General Laborer

EDUCATION

Delta Community College
⊗ Pursued degree in Business Administration

DISTINCTIONS

The Builders Exchange of Central Ohio

- ⊗ OSHA 10-Hour Certification
- ⊗ First Aid & CPR Certification
- ⊗ OSHA Excavating Certification

MCR Services, Inc.

- ⊗ Employee of the Year: 2006

EDITOR'S NOTE

John has the rare—and enviable—ability to accelerate and manage multiple project projects. He believes that focusing on the schedule and maintaining good relationships with partners, government agencies and customers is the best way to gain and keep control of the work. He has taught others how to “finesse” a schedule and take advantage of “wiggle room.” His natural rapport with our subtrades is a huge plus.

In spare hours, John has coached soccer and now follows club soccer for his children, Justin and Rachelle, who “practically live on the soccer pitch.” He lives with his family in Hilliard and tries to spend as much time as possible out-of-doors gardening, fly fishing, running and bicycling.

John, like many industry professionals, cannot keep his hands away from power tools and always has a remodeling or landscaping project in the works. He and his wife, Faye, love gourmet cooking. (The other member of their family, Chief, a Jack Russell terrier, eats just about anything.)
